

**Saddle Checklist for Repair** (Print and submit with order)

Below are a series of conditions that you may have seen either on your horse or saddle. Mark those that are relevant. This will help us in making the necessary improvements to your saddle. All parts used in rebuilding or in repair will be original parts or new components of the System X. Hardware and leather will be replaced with similar quality.

Before any repairs you will receive a call as to what needs to be done and the cost. Payment to be made in full prior to return shipping, Visa, Master Card, Money Order, Check or Wire accepted
